

FROM THE DIRECTOR'S DESK

HAPPY NEW YEAR EVERYONE!

I hope everyone has a wonderful Christmas.

We are now looking forward to an exciting New Year. Our center is blessed with members from all walks of life, and therefore, the talent under this roof is unbelievable.

We have had a lot of new members join this past year; and what my staff and I would like to do is invite all of our new members to a "HAPPY HOUR" get together. It will be held at the Center on Tuesday, January 24, 2012 from 1 p.m. to approximately 2:30 p.m. We realize that times have changed and so have people. What was fun 5 years ago is now passé.

We would like to do some brain-storming, to try and incorporate some new trips and programs. We get into a rut and sometimes people don't like changes. This is a New Year and we are going to make some NEW CHANGES.

You all have joined our Center for a reason, and we would like to find out what that reason is. Together, let's explore something new and exciting that you will enjoy. If any of our other members have something to contribute you are more than welcome to join us. I am asking that you please sign up by Friday, January 20, so that we can prepare light refreshments.

DECORATING THE CENTER

We have been busy making the Center look more attractive. We have painted several of the rooms. Down stairs in our main room we have had a beautiful mural painted. It is of Rehoboth Beach the way it was a hundred years ago. It was done by Fay Kempton, who is a member of the V.I.A.; and some members of our Art Class. It is absolutely beautiful! You must come in and see it.

We now are in the process of putting new floors down in the craft room and the library. We are asking everyone to please keep lids on their coffee or soda cups; and if you have lunch in the Center please clean up after yourself. We are trying so hard to keep it looking nice, so your help would be appreciated.
