

State of the Cape Henlopen Senior Center address...

The year ~ 2009-2010 ~ has been a good year for the Center. We owe most of this success to our hard working staff, members, and our dedicated Board of Directors.

Our membership is increasing daily. We have added many new activities to meet the needs of our members. Our Center now has a new phone tree system to alert us of up and coming activities and fundraisings.

Our bus rider-ship has increased due to the fun trips that have been planned. Anyone needing transportation to participate in any of our activities can use our bus as long as you live in a 10 mile radius.

We have been approved for Federal stimulus money which will be used to make our building more energy efficient. With the help of community organizations and fundraisers, we have been able to operate the Center without raising our dues.

Your continual support is necessary to make the Cape Henlopen Senior Center a success!
